

## Newlyweds Spend Honeymoon with the Freshmen

Cindy & Joe Persinger, Reg. Directors (VA)

The September 23rd performance of the Four Freshmen was held at Virginia Western Community College in Roanoke, Virginia. The attendance was a few seats shy of a full house.

Attending this performance, after Hurricane Isabel came ashore on September 18th and 19th in the Outer Banks, North Carolina, were Kari and Jack Barnes of Kill Devil Hills, NC. They had just gotten married, survived the hurricane and drove all the way to Roanoke, Virginia to see the Freshmen! With them, they brought their marriage certificate in hopes of getting the guys to autograph the front!

The FF were told the story and during the performance acknowledged the newlyweds and dedicated the song "Skylark" to them. At the end of the night, Jack and Kari joined the FF Society and the guys all signed their marriage certificate. It was so impressive that a young couple would drive that far to spend part of their honeymoon, especially right after a hurricane! We welcome them to the Society and look forward to seeing them at more concerts! Thanks to the Four Freshmen for making their night! We're sure it's one the newlyweds will never forget. Congratulations Kari and Jack!
