I NEED YOUR HELP! Chaz Cone, Membership Director

I've made it easy to tell if we have your email and that it's correct. Just go to the Members Only section of the FF website and check your information. If it's wrong, there's a link you can click to let me know. Here's how:

1. Go to the FF Website: www.fourfreshmen.com
2. At the bottom of the page, click the button that says The Four Freshmen Society.
3. Scroll down the page about 4/5th of the way and click on the link *Members Only* section of the Four Freshmen Society Website!
4. On that page there's a link that says Click HERE to review and/or change your email address in the FFS database. Click on HERE and you'll get a window that asks for your User name and Password. The User name is _____ and the password is _____
Fill those in and click the OK button.
5. You'll see the Members Only Database Section where you can click on the letter of the alphabet that represents the first letter of your last name. You'll be taken to a page where you can check your email address. If it's wrong, there's a link at the top of the page where you can let me know about the changes.

Please take the time to do this. Oh, and if you can't find yourself on the page it's because we don't have your current email; you can let me know that, too.
