

An opportunity to help the FFS save significant money

The cost of printing and mailing FreshNews continues to climb and consumes funds that could be better used in support of the performing Freshmen.

We're offering you the opportunity to "opt out" of receiving the mailed copy of FreshNews that you receive each quarter. If you do, you'll be able to read your copy even more quickly.

For some time, each issue of FreshNews has been put on the FFS website the same day it's published. You can view the current issue easily, and issues all the way back through 2002, online.

Viewing FreshNews on line has several advantages:

- 1) We don't have to kill as many trees and continue to incur so much of the spiraling printing and mailing costs.
- 2) You will get your online version of FreshNews instantly when it's ready for circulation.
- 3) Since FreshNews is online in Acrobat format, you can zoom the type to any size you want; this is especially helpful for those of us with, shall we say, less than perfect eyesight.
- 4) If color is used, you'll see that color on-screen
- 5) You can print a copy on your own printer if you want a paper copy; and, you can print only those pages that interest you.

If you're unaware of how to view FreshNews online, you can do so by going to www.fourfreshmensociety.com/freshnews.

For members who still want a printed/mailed copy, we will, of course, continue to publish FreshNews in paper form for you. But we're offering you the opportunity to opt out of the snail-mail version to help us control costs.

If you want to help by reading/printing FreshNews online only, just send an email to freshnews@fourfreshmensociety.com and say "opt out" anywhere in your response. If you do so, it will save the FFS money now (and even more in the future) and help us avoid dues increases.

Thanks for considering opting out of the mailed version of FreshNews.

ReFRESHingly,
