HOTEL INFORMATION: Have you made your Wyndham hotel reservation? ☐ Yes ☐ No ☐ Staying elsewhere

TABLE SEATING: The two meals/concerts (Friday & Saturday night), seating location will be made strictly based upon when your Registration form is received. We encourage mixed seating to allow all members to meet & make new friends. However, if you prefer to sit with family or friends, your table location will not be set until ALL of your group's Registration forms have been received. **The received date of the Last person in your group determines your table location.** The person initially requesting the table is responsible for tracking his group. If we have not heard from everyone in your table group, by **July 1, 2015**, it will only include those who have Registered. The missing unregistered people will be assigned to another table upon receipt of their Registration. List names of those you want at your table and please let them know. There will be ten people per table.
