*"What's Old—What's New in Pittsburgh"*

A guided bus tour presented by  
Lenzner Coach Lines/Coach USA Pittsburgh

---

Welcome to a tour of adventure and discovery! Pittsburgh is truly "One of America's Most Livable Cities." Join us and see for yourself!

Our first stop will be a ride up the Duquesne Incline (*optional*) to Mt. Washington for a spectacular view of downtown Pittsburgh, including the "Golden Triangle" (also known as "The Point") where Pittsburgh's three rivers meet Point State Park.

Next we will explore our new North Shore to see the latest in Pittsburgh's landscape, particularly our new PNC Park (home of the *Pirates*) and Heinz Field (home of the *Steelers*). Then we will travel to old Allegheny City, now known as the North Side, to the Mexican War Streets, Millionaires' Row and Calvary Church, passing by the Carnegie Science Center and the Andy Warhol Museum.

Our stop for lunch will be on your own at Station Square. Originally the home of the Pittsburgh & Lake Erie Railroad yards, Station Square and Bessmer Court will provide you with a variety of great places to eat.

Following lunch, we begin with a tour of downtown, including Pittsburgh's "crown jewel," PPG Place.

Next we travel to Oakland, the Cultural District of Pittsburgh, with its many universities and museums. Once in Oakland, we will visit the Heinz Memorial Chapel and tour the Nationality Classrooms at the University of Pittsburgh's Cathedral of Learning.

On our way back to the hotel, we will drive through the "Strip District," an old industrial district now thriving as Pittsburgh's premier place to buy fresh produce, ethnic foods and gourmet delicacies.

Upon our request, those on our bus tour have been granted special permission to visit the Carnegie Music Hall in Oakland (not normally open during the summer). This is a grand concert hall, where our Four Freshmen appeared in the early 60's. Ross Barbour calls it "my favorite place to perform in all the world." Don't miss it!!
