**Notice To All Internet Enthusiasts -
The BBS Demise
by Chaz Cone (Director)**

Folks, I'm not a quitter. But the impact of all the pornographic and other spam hitting us on our website bulletin board is simply taking too much of my time to correct. Most recently my attempt to delete the offensive emails resulted in the loss of two months worth of legitimate posts.

I'm sorry for that.

I know that many of you prefer this BBS to the FF Yahoo group - but the Yahoo group is pretty much spam-proof and there's noup (if you're not already a member). It's easy and you can specify that you want emails, digests, or read the posts directly on the Yahoo board. Same functionality as this BBS (if **you use it that way**).

Sorry that this thing has beaten me.

**FRESHMEN NEWS
by Brian Eichenberger**

Hi yall, just stopping by to let you know that we now have the new cd "Live in Holland" available directly from the website. Go to and click on the "buy now" button on the bottom.

**[www.fourfreshmen.com/
hollandcd.htm](http://www.fourfreshmen.com/hollandcd.htm)**

If you have a paypal membership you can use that, but you don't need one. You can click where it says "If you do not currently have a PayPal account **CLICK HERE****" and use a credit card.

We're currently working on a studio album, and when it's done hopefully we'll have that available from the website too. It's always hard to say how long it will take, but if things go as planned, it should be available September/Octoberish. All the best....Brian.

Editor's Note: FFS is pleased to also offer the "Live in Holland" CD in our Music Mart - with The Frosh and FFS team maybe we can make this album a blockbuster!
