

FRESH SOUNDS
from Dick Baldwin, Pres.

Welcome to the first edition of "Fresh Sounds" in *Fresh News*! President Dick Baldwin has requested that the Editor reserve space to identify the nation's radio personalities and broadcast frequencies who recognize and feature the Four Freshmen with a degree of regularity. Here's our initial thank you to those DJs and Program Directors who have a handle on Four Freshmen sounds via vinyl, cassettes and disc.

You, too, can direct your particular regional attention to FF Sounds as radio communicators keep the music playing in your area. Direct your accolades to the Fresh News Editor c/o of **Fresh Sounds**.
