FFS WANNABEES ON A ROLL & IN TUNE by Dick Baldwin

It's one of the fun times at our annual convention weekends. The participation continues to build and FFS Members rehearse charts prior to joining the waves of Freshmen tunes ringing throughout the hotel.

Are you up to it?

Veteran promoter Bill Martin refuses to take credit for the buildup of the popular songfests. Bill credits Japan's Yas Ichiura as the originator of the group. So, let it be with an assist from Ross Barbour. There would be no session without Dr. Barbour's advanced, easy way with a FF song. And, Jim Greenslate, FFS veteran handles much of the directing as a pioneer member.

Check the Atlanta line-up for the multiple sessions of the Wannabees. If you are not an old timer in the group, fake it. There are no grades in Professor Barbour's borderline academic setting.

Should you want to contact Bill, use his e-mail (pmbill@alltel.net). He'll give you some tunes to work on so that Ross won't assign you to the JVs or modified roster.
