

## Website of Images

Dear fellow Freshmen fans,

It has been almost two weeks since the great FFS Convention in Tampa October 2nd through 4th. I just finished creating the website as before [http://yasichiura.com/FFS/2014\\_FFS\\_Tampa/Home.html](http://yasichiura.com/FFS/2014_FFS_Tampa/Home.html). I hope it will be enjoyable for both who attended and those couldn't make it.

There are so many photos, mixture of good and not so good.

I want to express my thanks again to Candi & Bob Suhrheinrich and the committee for their hard work to make the event so well organized and people so happy.

Fresh Regards,  
Yas Ichiura
