We Get Letters

from Jean Foster, Scottsdale AZ

I had to tell you about my trip to see the fabulous Four in Roseburg, OR. My son and family live in Eugene, so I decided to add to my pleasure by visiting them while the boys were there. My son and daughter-in-law called the college and got three tickets. We had to drag my son to make him go, but my daughter-in-law, Mary, was thrilled as she is a good singer. We set off in a pouring rain and drove the 67 miles. I was in great anticipation because I knew what a treat was in store for them. The Umpqua singers were very impressive and we all enjoyed them, even my dubious son; but when the Freshmen came out the night became magic! I looked at my family and they were smiling and clapping louder than anyone. I finally said "are you enjoying this?" They both said "LOVE IT." Well, the night ended all too soon and the ovation was terrific.

When we came out the rain had stopped and we had a beautiful drive back to Eugene, with my family talking the whole 67 miles about how wonderful they were and how glad they were to share that wonderful night with me. My son said "When can we see them again?" We could hardly go to bed we were so happy with the evening.

The next evening my son said "I wish we were going to see the Freshmen tonight again." Then he said something that made me cry. He said during the concert his wife looked at him with her smiling face and shining eyes of happiness, and it was a memory he will never forget.

How's that for a glorious night in Roseburg?
