**(Note)**

FFS is negotiating a "merchant account" for VISA and MASTERCARD to enable us to accept credit cards issued by United States of America institutions. This may preclude our international members from participating unless they do business with a company that permits reciprocity (without special fees). Complete details will be included in the next quarterly FRESH NEWS (April/May/June issue); however, the service may be available in advance of that date.

Please call Ray Brown @ 850-897-9370. If you get the answering machine leave your name, telephone number and number of people and he'll call you back for confirmation and credit card info.
