

A Lofty Goal - Jim Healey!

by Fresh News Staff

On page 23 of FN (Sept./Oct. 2002) we published a splendid article from Jim Healey from Aptos CA titled "Freshmen Conquer Brentwood." But Jim didn't tell us he is THE JIM HEALEY, the former big league baseball player!

John Bangs immediately sent in the baseball card reproduced here.....Let's toot Healey's horn! And, sometime in the future, let's see if The Freshmen can make his "goal in life" a reality.

Baseball Fans: Did You See Fausto on TV?

by C.H.T.

In the final game of the American League Divisional Playoff series (between the Angels and the Yankees) how many of our society members saw one of our own with Jackie Autry, in her owner's box, as the Angels celebrated their historic victory over the New York Yankees?

Fausto Yturria (Jr.) is a board member of the Autry Museum of Western Heritage in Los Angeles and a long-time friend of Gene and Jackie. Indeed, he has a collection of Autry pistols used when the most famous cowboy of them all made so many movies that are dear memories for our generation.

We applaud Mrs. Autry and know that Gene, in the great heavens above, is proud of her and her perseverance!
